Developing a Parent Involvement/Family Engagement Home Reading Program for Pre K-3 Literacy

8 AM-10AM

Thursday, October 19, 2017

Session Objectives: Handouts are posted on www.Innovationswithsolutions.com

User name: TXAEYC Password: literacy

- Identify research-based strategies for emergent readers and develop effective documentation for a family engagement program that focuses on early literacy connections for home and school.
- Utilize developmentally appropriate home reading/literacy strategies for documenting progress and assessing emergent readers.
- Examine research based strategies that match each reader to books—and focus on the student’s instructional reading level (IRL).

Wrap-Up/Evaluation/Reflection 9:50-10:00
